About Prescott Circus Theatre

Prescott Circus Theatre (PCT) is a 38 year old performing arts and youth development organization and one of the country's longest running social circus programs. We provide safe environments for Oakland youth to develop the confidence and skills to thrive on stage, in school, and in life. This is accomplished through no-cost, in depth, school and community based programs in partnership with professional artists, public schools, and other local organizations. After school programs take place 1 – 3 times weekly at select Oakland schools. Students work with teaching artists and educators to learn skills like juggling, acrobatics, stilt dancing, hip hop dance, create original shows, and perform for their school communities. PCT prioritizes partnerships with public schools where 60% or more of students qualify for free or reduced lunch. Over 90% of our students are children of color. We are currently working with eight Oakland public schools, serving over 200 children, primarily in grades 3-5. www.prescottcircus.org
