### **About Prescott Circus Theatre**

Prescott Circus Theatre (PCT) is a 40 year old performing arts and youth development organization and one of the country's longest running social circus programs. We provide safe environments for Oakland youth to develop the confidence and skills to thrive on stage, in school, and in life. This is accomplished through no-cost, in depth, school and community based programs in partnership with professional artists, public schools, and other local organizations. After school programs take place 1 – 3 times weekly at select Oakland schools. Students work with teaching artists and educators to learn skills like juggling, acrobatics, stilt dancing, hip hop dance, create original shows, and perform for their school communities. PCT prioritizes partnerships with public schools where 60% or more of students qualify for free or reduced lunch. Over 90% of our students are children of color. We are currently working with eight Oakland public schools, serving over 300 children, primarily in grades 3-5. [www.prescottcircus.org](http://www.prescottcircus.org)

### **About the Teaching Artist Position**

PCT Teaching Artists work in partnership with other artists and educators at select Oakland public school and community based sites, August – May and summer. The TA's core role is to deliver a comprehensive circus and theater arts, skill based curriculum rooted in youth development and healing centered best practices. TA's guide youth participants through building supportive relationships, creating original work, produce culminating shows, while centering students in proud and powerful ways. As a social circus program, our Teaching Artists prioritize the daily relational and creative process over "product" while also holding high expectations of our students and of ourselves.
